The Training

About The Training Space

Set inside New Zealand's award-winning engineering and trades education facility, Wintec's quality training spaces at our Rotokauri campus in north Hamilton are perfect for off-site staff training.

The $25m facility's unique design and function set it apart from the rest. It's home to more than 1000 trades and engineering students and 100 staff, and The Training Space is used by hundreds of industry clients.

The Training Space comprises two comfortable, modern, air-conditioned and fully furnished rooms which can accommodate between 10 - 12, and 15 - 20 people. Both are wheelchair accessible.

We offer a range of different room layouts to suit your requirements, free parking and competitive pricing.

Training Space 1 (G1.23 B)

“We use The Training Space for several of our training programmes. The trainees and presenters enjoy this bright, modern and purpose-built facility.”

FONTERRA

What's included in the hireage:

- Tables/chairs to accommodate 10-12 people + facilitator
- 55" computer screen on wheels/Apple TV
- Two large wall mounted glass whiteboards + pens
- Free wifi
- Accessible cabling and power-points to utilise computers if desired
- Lunchroom and kitchen facilities
- Room hire - $175.00 + gst per day

* Catering is to be arranged by the venue hirer (we can advise on local catering options). Participants can also bring their own food or purchase food from our onsite café. Tea and coffee can be supplied at a cost of $3 per person per day.

Training Space 2 (G1.24 C)

What's included in the hireage:

- Tables/chairs to accommodate 15-20 people + facilitator
- 55" computer screen on wheels/Apple TV
- Two large wall mounted glass whiteboards + pens
