## HOMESTAY

Homestay is where you stay with New Zealand families, in their homes. Our Homestay hosts are carefully selected for their kind and caring nature. You will get to improve your English by talking to them; you will also be able to enjoy family activities, celebrations, religious practices and sporting events. A Homestay can be a retired couple, a single-parent family, a single, divorced or widowed individual, as well as a traditional family. They can be young or older, with or without children. Many of the families have travelled, lived abroad or have hosted students before so they can know the challenges you face while in New Zealand. If you are under the age of 18, you will not be allowed to rent a flat/room/house/apartment or live on your own. We place all our under 18 year old students with very trustworthy families who will provide a safe environment.
